PREAMBLE

MotorSport New Zealand Inc hereby declares the following Articles to be those governing Competitors in the 2022 MotorSport NZ New Zealand Rally Championship.

The Championship is held under a MotorSport New Zealand Championship Permit Number: 210586

The Championship is organised and held in accordance with the MotorSport NZ National Sporting Code, the Standing Regulations and any Supplementary Regulations applicable to and issued by the Organising / Inviting Club of each Round of the Championship.

These Articles are at all times to be read in conjunction with:

- The [National Sporting Code \(NSC\)](#) and its appropriate Appendices and Schedules,
- The [International Sporting Code](#) and its appropriate Appendices for Round 1, 2, 5 and 6.
- The Technical Regulations – FIA Appendix J, specifically Articles 251, 252, 253, 254, FIA Appendix L, MotorSport NZ Appendix Two Schedule A, Appendix Six Schedule RH, and
- The Event Supplementary Regulations issued by the Inviting Clubs.

1. INTERPRETATIONS

In these Articles, the definition of terms used within this Schedule shall be referenced from the National Sporting Code, and as detailed below:

“Appendix J” means the vehicle safety and specific technical regulations issued by the FIA; and

The **“Championship”** means the “2022 New Zealand Rally Championship” as set out in these Championship Articles; and

“FIA” means the Fédération Internationale de l'Automobile; and

“FIA R5” means R5 and Rally2 vehicles; and

“Inviting Clubs” means the MotorSport NZ Member Clubs organising events which also comprise rounds of regional or club events; and

“Manufacturer” means the manufacturer of, or official New Zealand distributor of the make of vehicle entered in the Championship; and

“MotorSport NZ” or **“MSNZ”** means MotorSport New Zealand Inc; and

“National Sporting Code” or **“NSC”** means the National Sporting Code issued by MotorSport NZ from time to time; and

“Principal Driver” means the registered crew member who actually drives the competing vehicle on all Special Stages of each Round; and

“Rally New Zealand” or **“RNZ”** means Rally of New Zealand Ltd who have been granted the commercial and promotional rights to the Championship by MotorSport NZ and will represent the Inviting Clubs; and

“Round” means the Event at which drivers may score points towards the Championship; and

“Supplementary Regulations” means so far as they are applicable to the Championship the Standing Regulations set out in Appendix Three, Schedule R to the National Sporting Code together with the Supplementary Regulations issued by the Inviting Club of each Round.

2. ELIGIBILITY

2.1 All Drivers (Driver 1 only) competing in Category 1 must hold an R2 Grade competition licence or higher (except as provided for in clause 2.1.2).

Note: Under the provisions of the Trans-Tasman Visa Agreement between Motorsport Australia and MotorSport New Zealand Inc, Australian competitors holding both Motorsport Australia National Rally (NR) Licences and Trans-Tasman Visas may enter the NZ Rally Championship and score points.

2.1.1 All other Drivers and Co-Drivers must hold an R1 Grade competition licence or higher (except as provided for in Article 2.1.2).

2.1.2 Drivers and Co-Drivers entered in the international field of any FIA permitted event must hold an INT C-R Grade Competition Licence and a Medical Clearance Card.

2.1.3 If the Entrant is other than the driver, an Entrant’s Licence is required in the name of the Entrant.

2.2 **Vehicle Eligibility:** The various categories of the Championship are open to the following vehicles:

2.2.1 Category 1: 4WD

(1) Vehicles eligible for Category 1 are:

- (a) MotorSport NZ AP4 vehicles complying with the MotorSport NZ Group AP4 technical regulations, or

2.2.6 Vehicles competing in the international field of Round One or Two (FIA Asia-Pacific Rally Championship) or Rounds 5 and 6 (FIA World Rally Championship) must be in compliance with the relevant FIA homologation. Alternatively, National Cars (those eligible for the NZRC) require an approval from the event organisers/FIA.

2.3 Proof of Vehicle Eligibility

2.3.1 The Competitor must submit on request of a MSNZ Technical Officer, the vehicle's homologation papers (including all current homologation extensions), vehicle logbook and COD (applicable for Historic cars). The onus of proof of a vehicle's eligibility rests entirely with the Competitor / Entrant.

2.3.2 Any modification made to a competing vehicle that is not detailed in FIA Appendix J and/or a MotorSport NZ Schedule as permissible for the Category in which the vehicle claims classification will render the vehicle ineligible for that Category.

2.3.3 Technical eligibility and safety equipment enquiry: Where any doubt may exist in understanding any regulation contained in these Championship Articles it will be understood that it is the Competitor's obligation to enquire as to the correct interpretation. All technical eligibility and/or safety equipment enquiries shall be submitted in writing to the Championship Scrutineer.

- All enquiries should detail the Article in question and the specific subject matter.
- A written reply will always be given to a written enquiry.
- On matters of technical eligibility and/or safety compliance, a verbal statement will have no validity.

Notes:

1. MotorSport NZ reserves the right, at its sole discretion, to amalgamate any Category if less than three(3) entrants in a Category at the start Round One of the Championship.

2. For the avoidance of doubt, competitors in Categories 1–4 are eligible for the overall title of New Zealand Rally Champion (Driver and Co-Driver) in 2022.

5. CHAMPIONSHIP REGISTRATION

5.1 Competitors must make application to compete in the Championship by completing the [registration application form online](#). The application form complete in all detail and accompanied by the correct fee (Article 5.2 below) must be submitted no later than two(2) weeks prior to the first Championship Round the competitor intends to enter.

5.2 **Fees:** The registration fees are as follows:

- (1) **Category 1:** NZ\$1100.00 incl GST
- (2) **Category 2, 3 and 4:** NZ\$750.00 incl GST
- (3) **Category 5:** NZ\$550.00 incl GST

5.2.1 It is possible to register for individual Rounds of the Championship at a cost per Round of \$350.00 (incl GST) for Category 1, \$250.00 incl GST for Categories 2, 3 and 4, or \$200.00 incl GST for Category 5.

Note: Registration of Co-Drivers will be included in the above. Changes of Co-Drivers will need to be notified to RNZ up to and including the commencement of Reconnaissance at the relevant Round for the Co-Driver to be eligible for points.

6 CHAMPIONSHIP ENTRY

6.1 Entry to each Round of the Championship (which is separate to the Championship Registration) shall be made to the Inviting Club of the Round, as specified by the Supplementary Regulations, and by their specified closing dates. **Any entry will not be deemed valid until payment is received.**

6.2 In submitting an entry for Rounds of the Championship all registered Entrants and Drivers agree to comply with these Articles and the National Sporting Code including its applicable Appendices and Schedules and the individual Event Supplementary Regulations.

6.3 Individual Round Entry fees will be detailed in the Supplementary Regulations issued by the Inviting Club of each Round.

7. CONDITION OF ENTRY

7.1 **Decals, Overall breast patch, Drivers names and Competition numbers:** Entry into the Championship is conditional upon correct decal, overall breast patch and competition number placement according to the illustrations contained in Appendix 1 of these Championship Articles. These items must remain in place for the duration of each event. It is forbidden to remove NZRC Sponsors decals once the event has started. Should a sponsor's decal be damaged during an event these decals must be reinstated at the next service park, replacement decals are available from the Championship Coordinators or their representatives on event.

7.1.1 All competitors entered in the international field of Round 1 or Round 2 (Pacific Cup) or Round 5 and 6 (World Rally Championship) shall comply with the vehicle decal requirements as detailed in the Supplementary Regulations for that event.

7.1.2 All competitors entered in Category 1 are required to fit and run Hella LED Safety Daylights. The Daylights must be constantly illuminated during all Special Stages, regardless of any other lights illuminated. Lights should be ordered directly from Hella.

7.1.3 NZRC Sponsors Advertising (A3 / A4 / A5): Competitors are required to fit and carry NZRC Sponsors Advertising alongside MotorSport NZ Championship decals. In situations, only of direct conflict with competitor's own sponsorship, application can be made for a waiver of the requirement. If approved, a fee of \$2,000 per event is payable to the promoter. Application should be made at time of lodging an entry for each round and accompanied by the fee payable to the RNZ.

7.1.4 Non-Compliance, Competitors in breach of Article 7 will be reported to the Clerk of the Course who may impose a penalty. The penalty for non-compliance is \$3,000 per sponsor.

7.2 Promotional Requirements: All competitors must participate in any promotional activities prior to, during and after each of the Rounds. These will be advised in Supplementary Regulations Part Two for each Round or RNZ will advise the details of any activity at least five (5) days prior to any Round. In exceptional circumstances competitors may be excused from this requirement upon application to the Clerk of the Course.

7.2.1 Competitors who finish 1st, 2nd or 3rd overall (based on the classification as at the time of the podium ceremony) for the Round, and 1st, 2nd or 3rd overall in any category (excepting Category 5 for Rounds 1 and 2) for the Round (ref Article 4.1), must be available to participate in the Victory Ceremony at the Podium Finish at each Round if requested.

Note: For the avoidance of doubt, the participants in the Victory Ceremonies will be those competitors who have the best placing (either overall or in their Category) based on the elapsed time of those competitors (plus any applicable penalties) and not the points scored by the competitors in the Round.

7.2.2 Those competitors who finish 1st, 2nd or 3rd in each Category will be expected to attend the Championship prize giving at the final Round. A competitor who is unable to attend the Championship prize giving may apply to the Championship Coordinator for an exemption.

7.2.3 Competitors shall participate in any Start or Finish Ceremony, or any ceremony or activity published by the Championship Promoter, during the published timetable applicable to that activity.

7.3 Social Media: Competitors and team members are reminded of Motorsport New Zealand's Social Media policy across any personal, team or associated social media outlet. The policy is available from the [MotorSport New Zealand website](#).

8. POINTS

8.1 As per Article 8.2, competitors registered in Categories 1 – 4 (inclusive) in the Championship will score points towards the New Zealand Rally Championship, and towards their respective Category title. Only registered competitors are eligible to score points, and points shall be awarded at each Round taking into account the competitor's relative overall and Category position as applicable and without taking into account the classification of non-registered competitors.

8.1.1 Junior, Rookie, and Gold Card Points: At Rounds 1, 2 as well as any other multi-leg events, the points awarded in the Junior, Rookie, and Gold Card Titles will be taken from the Leg One results only. Power Stage points will NOT form part of the awarded points.

8.1.2 If a Driver or Competitor is forced to withdraw from an Event due to Covid-19 restrictions, including but not limited to regional lockdown or the requirement to isolate, the final championship points for both the Driver's and Team's championship will then be calculated by dropping the worst Event points from any of the first four (4) rounds from all Drivers' final point score.

8.2 Championship Points: For the overall title of New Zealand Rally Champion (Driver and Co-Driver) and each Championship Category, points will be awarded for each Round taking into account the general classification according to the following scale:

1st	25	6th	17	11th	12	16th	7
2nd	22	7th	16	12th	11	17th	6
3rd	20	8th	15	13th	10	18th	5
4th	19	9th	14	14th	9	19th	4
5th	18	10th	13	15th	8	20th	3

8.2.1 Bonus Points: In addition, for Rounds 1 and 2 only, bonus points for the overall title and for each Category will be allocated based on the results of each Leg as shown below:

1st	7
2nd	5
3rd	3
4th	2
5th	1

8.3 Power Stage: Additional points will be awarded towards the overall title and for each Category as follows: (Refer Article 19)

1st	5
2nd	4
3rd	3
4th	2
5th	1

8.4 The overall Round winner for each Category will be the competitor with the lowest elapsed time including any penalties over the event. In the case of two or more competitors complete the event with the same elapsed time, the competitor with the fastest stage time in the opening special stage (excluding super special stages) will be awarded the higher position. In the event of both competitors setting the same time in the opening special stage, the first special stage that can break the tie-break will be used.

8.5 The winners of awards for the overall Championship and the Category 1, 2, 3 and 4 awards, as detailed in Article 9 below, will be the competitor accumulating the highest points scored from all six(6) rounds of the championship.

8.6 The winners of awards for Category 5 will be the competitor accumulating the highest points scored from that competitor's two (2) best points scoring Rounds outside of the final two scheduled rounds, plus the final two scheduled rounds. The points will be allocated in accordance with the table at Article 8.2.

Explanatory note: Competitors in Category 5 will drop their worst two points scoring Round from any one of the first four (4) Rounds.

8.7 Tiebreaks for Championship Awards: In the event of a points tie in an award at the end of the Championship, in the first instance, the competitor with the most round wins will be deemed the winner. Should the tie remain unbroken then second, third and subsequent places at all rounds shall be deemed to take the higher placing in the relevant award.

8.8 Manufacturers Trophy: This title will be awarded to the vehicle manufacturer which has gained the highest aggregate of points from all Rounds of the Championship. For each Round the qualifying vehicles will be deemed to be the first two(2) vehicles (based on the manufacturer or brand) in the published event seeding list, plus any vehicles from Categories 2 & 3. At each Round points will be allocated based on the overall finishing position of the first of the two (2) manufacturer / brand selected. Bonus points will be awarded to the top five manufacturers (based on the first vehicle finishing from each manufacturer) in the combined results from Category 2 & 3 using the schedule below. Only overall Round points will apply, Leg Points and Power Stage Points will not count towards Manufacturers Trophy.

10.1 In-Car Camera: In-car camera(s) for other than private use are permitted only:

- (1) With the written permission of the Championship Promoter, and
- (2) Where the installation method is approved by the MotorSport NZ Championship Scrutineer(s), and
- (3) Where only sponsor logos authorised by the Championship Promoter will be permitted within the cameras field of vision. Where sponsor logos are within view of the camera, the NZRC and MotorSport New Zealand logo (available from the promoter) shall also be displayed

10.2 In the event of a safety issue the promoter reserves the right to access this. Competitors are responsible to save a copy of all the data from that Event without modifying or deleting the data until thirty(30) days after the finish of the Event.

Note: *It is not the intended purpose for the Promoter to allow the use of any footage obtained from these cameras for any judicial process, without the express permission of the competitor.*

10.3 Any competitor who has a photographer or videographer on event for either commercial or private use is required to advise the NZRC coordinators in writing five (5) days prior to the event via info@rallynewzealand.org.nz. This footage may only be used for the competitors use and may not be utilised to generate programming in competition with the NZRC promotional programming. All media personnel are required to comply with Motorsport NZ's [Media Accreditation policy](#).

10.4 Competitors may be offered the opportunity to provide in-car footage from their in-car camera(s) to the New Zealand Rally Championship (or its production partners) for promotional / programming purposes, in particular for use in digital media.

10.5 Footage from any camera fitted (whether it be for private or commercial use), must be made available to the Clerk of the Course upon request. Competitors are responsible to save a copy of all the data from that Event without modifying or deleting the data until thirty(30) days after the finish of the Event.

11. SEEDING, STARTING INTERVALS AND LATENESS

11.1 Seeding for Rounds: The start order (Seeding) shall be established in the following sequence, but subject to the provisions contained in Article 11.2:

11.1.1 At all Rounds, Drivers will be seeded on merit and in accordance with the regulations published for the event.

11.1.1.1 The overall Champion of the previous year will carry number one at all events except those effected by Article 11.2. This applies only when that Champion is still competing in Category 1.

11.1.1.2 They may have their start order changed on the grounds of safety.

11.1.2 The time for the publication of the start list, after approval by the Stewards, must be published in the Supplementary Regulations.

11.2 Seeding for Rounds 1, 2, 5 and 6: The Inviting Club is obliged by the FIA International Sporting Code and its Appendices to seed their event in accordance with the prescriptions of the FIA and the Supplementary Regulations for the event. The Start Order shall be as close as practicable to Article 11.1 above but subject to the FIA prescriptions where applicable.

11.3 Lateness for Events: Any lateness incurred in any one Leg will not be carried over to any further Legs for the sole purpose of Leg points. Lateness from all Legs combined will be incurred and apply to the Round result.

11.4 For subsequent Legs, the highest placed competitor from Leg One will be seeded first on the road followed by the remainder of the field seeded based on their results from the previous Leg but subject to the discretion of the Clerk of the Course who may adjust the start order on the grounds of safety.

11.5 Starting Intervals: Where a Clerk of the Course can reasonably expect the event will experience conditions where visibility may be reduced due to environmental conditions, the start interval for vehicles with Start Order 1 to 15 may be increased to two (2) minutes, on any stage where this increased start order is being implemented. Notification will be given to the Crews at the start control of the stage(s) affected.

11.5.1 At Rounds 1, 2, 5 and 6 competitors in the FIA event and seeded by the FIA will have starting intervals as per the FIA General Prescriptions.

12. REJOINING

12.1 A competitor who fails to finish a Leg may, at the discretion of the Clerk of the Course, restart at the next Service Park (if applicable), the next Leg of that Round (if applicable) or at the 'Power Stage' (if applicable).

12.1.1 This will apply to any competitor who has been excluded on the grounds of exceeding the latest allowable limit or has failed to report to a control but will not apply where the car has been excluded for breach of eligibility requirements, traffic infringements or by decision of the Stewards.

12.1.2 A competitor who fails to finish any Leg shall not accrue any points for that Leg except for any points awarded for a power stage.

12.1.3 Re-joining at Round 1, 2, 5 and 6 will be subject to the Supplementary Regulations published for that event.

12.2 Any vehicle which fails to finish a Leg in accordance with the above may be repaired at the Competitor's discretion. The competing vehicle must retain the body-shell and cylinder block as presented at the start of the Event. Prior to restarting the vehicle must pass safety inspection by the Championship Scrutineers.

12.3 The Entrant must advise the Clerk of the Course of their intention to re-join the next Leg at least two(2) hours prior to the start of the next Leg. Permission to start is at the discretion of the Clerk of the Course.

13. STAGE NOTES

13.1 All competitors participating in Reconnaissance will be allowed to use any stage notes embellished from stage notes used previously on that event or write fresh notes for any event.

13.2 At each Round, competitors participating in Reconnaissance shall purchase a copy of notes for that event supplied by the MotorSport NZ authorised note provider.

***Note:** Orders and payment for the notes shall be made by the competitor directly to the note provider.*

13.3 The notes as supplied define the road that is to be used in each Special Stage. Deviation from this road will be reported to the Clerk of the Course who may impose a penalty.

14. TECHNICAL CHECKING

14.1 The Championship Scrutineer may require any Championship registered vehicle to be held at the end of each Leg for technical eligibility checking and/or safety inspection. A Parc Fermé will be established each day for this purpose. Competitors will only be free to remove their vehicles from the Parc Fermé after clearance is issued by the Clerk of the Course after consultation with the Championship Scrutineer.

14.2 The 2022 NZRC will incorporate an overnight Parc Fermé following the end of Leg 1 at Rounds 1, 2, 5 and 6. The service time given will be notified in the Supplementary Regulations.

15. SCRUTINEERING

15.1 Championship registered entries **are not eligible for remote Safety Audits** even if these are provided for in the Supplementary Regulations to any Round of the Championship.

15.2 All Championship registered vehicles shall be presented to the Championship Scrutineers (or their delegate) at Event Scrutineering at all Rounds of the Championship entered for preliminary checks, checking of turbocharger restrictors, vehicle weighing, the application of any relevant Official Seals (refer Schedule A, Part One Article 3.7), checking of driver safety equipment (Refer Article 18) and checking of Championship decals. The Championship Scrutineer or their delegate will decide if the vehicle is required for any technical or safety inspections.

15.2.1 All Championship registered entries must present their vehicle logbooks at Event Scrutineering for checking at all Rounds.

15.2.2 Any vehicle that has had approval for a 'C' type seal to be broken must be presented at Event Scrutineering together with the vehicle logbook.

15.2.3 All 4WD forced induction vehicles that are required under these regulations to have a turbo restrictor seal applied and have had a "B" or "C" type seal fitted must be presented at event scrutineering for checking and recording these seals. B-Seal = event only, C-seal = Championship. Permission is required prior to the removal of any seal for repair or service.

15.2.4 Upon completion of Event Scrutineering, if a vehicle is found not to comply, the Clerk of the Course may either set a deadline before which the vehicle must be made to comply pursuant to the National Sporting Code, or exclude the vehicle from starting, or if appropriate reclassify into another Category.

15.3 **Checking of turbocharger restrictors:** A team member must be present (with appropriate tools) to remove the necessary ducting to enable access to the restrictor for checking purposes and the application of necessary seals.

15.4 **Application of Official Seals:** All vehicles must be presented for the application and/or checking of Official Seals which may be applied to the following components and/or assemblies of components as follows:

- Throttle butterfly housing to inlet manifold.
- Cylinder head(s) to cylinder block. By two means, diagonally opposing corners, as to make the cylinder head irremovable without breaking the seals.
- Turbocharger restrictor to compressor housing cover to compressor housing and turbocharger bearing body in a continuous length.

15.4.1 All vehicles shall be presented with the above detailed assemblies drilled and wired (minimum 3mm holes) with at least 200mm of untwisted wire for the application of the seals. It is the competitors' sole responsibility to ensure that the applied seals remain intact for the duration of their application period as detailed in the vehicle's logbook. Failure to meet this requirement will result in the vehicle being rejected from scrutineering and a new time allocated. Under no circumstances will scrutineering of other competitor's vehicles be delayed due to non-compliance with this Article.

15.5 If for any reason, an Official Seal needs to be removed (e.g. maintenance purposes) **it is essential that written authorisation be obtained prior to the seal being removed.**

15.5.1 All requests are to be submitted in writing to the Championship Scrutineer.

15.5.2 Where a technical inspection is required away from a Championship Round, an inspection fee of \$195.00 (incl GST) per hour (plus any travel at cost) may be applicable.

15.6 **Marking of bodyshell and engine block:** Technical Officials may, at their discretion, make identification marks on the vehicle chassis, engine and/or transmission housings at any time. Should identification marks be made, it is the responsibility of the crew alone to see that these marks are preserved intact until the end of the Round or period specified at the time of marking in the vehicle's logbook.

15.7 **Technical Inspections:** Where post Championship technical inspections are required these shall be carried out immediately following the final round of the Championship unless otherwise notified by the Championship Scrutineer.

16. FUEL

16.1 **Categories 1, 2, and 3 only:** At all Rounds (except as detailed in Article 16.2) only commercially available E10, E85, 91 Octane, 95 Octane or 98 Octane unleaded fuel or diesel complying with Appendix Two Schedule A, Part One, Article 3.9 of the current MotorSport Manual is authorised. No blending of fuels is permitted.

- 16.1.1** Category 1 vehicles complying with AP4(NZ), R5, S2000, or WRC specification may apply to the Championship Scrutineer to use an alternative FIA approved fuel (WRF) as designed for use in these vehicles. Refer Article 2.2.1(3).
- 16.1.2 Categories 4 and 5 only:** The use of any fuel detailed in Appendix Two Schedule A, Part One, Article 3.9 of the current MotorSport Manual is authorised.
- 16.1.3 For Categories 1, 2 and 3** it is permissible to add a lubricating oil to E85 fuel for the purpose of lubricating DI pumps and injectors.
- 16.2** At Rounds 1, 2, 5 and 6, any vehicles entered in the international field (FIA Asia-Pacific Rally Championship or FIA World Rally Championship) must use fuel complying with the Supplementary Regulations.
- 16.3** Category 1 cars shall have a Quick Disconnect Male Coupler installed into a fuel line in an accessible safe location for the purpose of fuel testing. Either a Staubli SPT-08 Male Coupler or a Jiffy-Tite -06 3000 Series Male Coupler are acceptable.

17. TYRE RESTRICTIONS

- 17.1** Competitors may only carry a maximum of two(2) spare tyres in their competition vehicle at all times except at Round 1, 2, 5 and 6 where the provisions of the Supplementary Regulations for those events will apply.
- 17.2** Tyres may only be changed in Service Parks and only when permitted in the Supplementary Regulations excepting the spare tyres carried in the competing vehicle, which (outside of Service Parks) may only be changed by the crew using tools carried in the competing vehicle.
- 17.3** The Championship Scrutineer shall have the authority to mark all tyres carried in a competing vehicle at any Control during the rally and shall have the authority to checks tyre markings at any time.
- 17.4** At all times during any event the tread depth of tyres fitted on the competing vehicle must meet current Warrant of Fitness standards. The manufacturer's control indicators may be used to determine this wear.

18. COMPETITOR SAFETY

18.1 In all Special Stages, all competitors shall wear safety apparel in compliance with the following:

18.2 All competitors entered in the International field of Round 1, 2, 5 or 6 (FIA Asia-Pacific Rally Championship or FIA World Rally Championship) shall meet the requirements of FIA App J Art 253 and in particular the following safety equipment requirements:
