

2019 Dayle ITM Goldrush Rally of Coromandel Update

With 17 August fast approaching, we are working to get the Supplementary Regulations out before the end of June (these will be available on the website soon www.nzrallychamps.co.nz). This year we will be holding a rally street party and car show on the Friday night, on Albert Street in Whitianga.

The cars will be parked up and an autograph signing session will take place. The local More FM team will be there and we hope to have a great start over the ramp as well.

The road closures have been submitted to Council, with Port Charles, Tapu-Coroglen and the 309 again being used. The Super Special Stage will this year be run from the airport with a loop around Dakota Drive. We have tried to get new forestry roads but unfortunately have been unsuccessful with this.

What's happening at RNZ HQ

As you may have heard recently, we are still working towards a WRC bid for 2020. Due to confidentiality issues we cannot share much at this time, but rest assured PJ and the team are working hard to secure a future round. We will of course communicate any updates when possible.
